HUBER FACILITY INFORMATION

In accordance with Wisconsin State Statute, the Department of Corrections Administrative Code and standards established by the National Commission on Correctional Health Care, the mission of the Waukesha County Huber Facility is to safely and securely confine individuals serving a court imposed work release sentence. This booklet is an informational resource outlining inmate privileges and services as well as the rules of the facility. This information is subject to change as the policy and procedures of the facility change. Inmates will be given ample warning of any changes prior to their implementation. If you have any questions or do not understand the information provided, ask a staff member for clarification.

Anytime you have a question regarding the contents of this booklet, you are encouraged to seek guidance from a staff member.

III. Inmate Requests

1. Inmate Communication Form. The Inmate Communication Form is a general purpose document used to request a variety of services and programs. The form can be used to submit a request, disciplinary appeal, informal grievance, concern, or convey information to a staff member. The form may be used to relay information to the Public Defender's Office, Probation/Parole Office, and the Waukesha County courts. The form is used to authorize the transfer of funds from your money account or release personal property to a family member or friend. The grievance, funds transfer and release of property procedures are outlined below.

2. Inmate Grievances.

Step 1. During your confinement, you may believe you have the basis for a complaint. When this is the case, whenever possible, you are encouraged and required to attempt to resolve the complaint informally with a correctional officer or support staff member. This is to be done verbally or utilizing the Inmate Communication Form.

Step 2. When informal resolution is not possible, written complaints/grievances and grievance appeals are to be submitted in writing on the form provided for that purpose. The pod officer will ensure the complaint is forwarded to the applicable staff member. All legitimate grievances are reviewed, evaluated, appropriately investigated and a written response is provided.

A grievance is a written complaint by an inmate on the inmate's own behalf regarding a jail policy application; a condition within the institution; an action involving another inmate or staff member within the institution, or; an incident occurring within the institution. The grievance procedure is not to be used to address inmate disciplinary or disciplinary appeal issues or processes, or legal decisions as directed by the courts.

The Waukesha County Jail Inmate Grievance/Grievance Appeal Form will be utilized for the submission of inmate grievances and grievance appeals. An inmate is restricted to one grievance every 15 calendar days. Inmate grievances will:

- a. Be legibly written on the form supplied for this purpose.
- b. Be signed by the inmate.
- c. Not contain language that is obscene, profane, abusive or threatens others unless such language is necessary to describe the factual basis of the substance of the complaint.

- d. Contain only one issue per complaint and shall clearly identify the issue.
- e. Only be submitted after the inmate has exhausted all avenues for informal resolution of the complaint.
- f. Will be submitted in a timely manner no more than five (5) calendar days after the incident of the complaint. The jail administrator or designee may accept a late grievance for good cause.

A grievance may be rejected for the following reasons:

- a. The inmate submitted the complaint solely for the purpose of harassing or causing malicious injury to one or more of the department's employees, agents, contract staff, volunteers or any other person.
- b. The inmate does not raise a significant issue regarding rules, living conditions or staff actions affecting the institutional environment.
- c. The inmate submitted the grievance in excess of the five calendar days from the incident and provides no good cause for the delay.
- d. The issue raised in the grievance does not personally affect the inmate.
- e. The issue has already been addressed.

All complaints properly submitted as outlined above will be reviewed by the applicable staff member. The legitimacy of each complaint will be determined and a response will be provided. Keep in mind the complaint procedure is a vehicle for you to seek resolution for legitimate factual concerns. **Communicating false information or writing a frivolous grievance is prohibited and could be grounds for disciplinary action.** Additionally, the complaint process does not provide you with an option to refuse to follow, or to demand to talk to a corrections supervisor before following an order/instruction issued by a correctional officer.

3. Pass Request Form. If you need to leave the facility to keep a scheduled appointment, attend court ordered counseling, and/or attend any activity approved by the Huber Facility staff, a pass request form is required. The pass request form must be filled out completely and submitted before the request will be considered. The completed form is to be turned over to a housing zone officer in advance; no less than 48 hours from the time of requested departure from the Huber Facility. Passes for shopping (items required for employment and personal hygiene items not available from a facility vending machine), banking needs and haircuts (banking needs and haircuts are only approved with cause and to specific locations) will be restricted to the following days:

- Tuesdays - Last name beginning with letter A through L; and,
- Thursdays - Last name beginning with letter M through Z.

Pass requests for shopping, banking, haircuts, etc. are not automatically approved. The requesting inmate will be required to provide a justification of need.

AODA Treatment/Mental Health Counseling Pass Requests. Employed Huber Facility inmates who submit a pass request form for AODA and/or mental health services in the community must also submit a letter (fax is acceptable) from the treatment provider on agency letterhead which details the treatment schedule. Whenever possible, treatment appointments are to be on a consistent schedule (i.e. same day(s) and time(s) each week).

4. Request for Medical Attention Form. Whenever you are in need of medical attention or treatment, you are to submit a completed Request for Medical Attention Form. Clearly write what the problem or concern is and, where appropriate, your choice of remedy. You must include your name, your housing location and the date and time. The completed form is to be turned over to the nurse or medical officer during a scheduled medication pass time.

IV. Medical Care

Employed Inmates. If you are an employed inmate, you are expected to provide your own medical care. If you require a medical or mental health service appointment, you must fill out a pass request and turn it in to your floor officer **5-7 days prior to the appointment** for approval. You are also required to fill out a pass request form to pick up any prescription medications. These medications must be turned over to the correctional staff upon your return to the facility. Once they are verified, the jail medical staff will dispense these medications.

Unemployed Inmates. If you are an unemployed inmate, the jail medical staff is responsible for your medical care. Address all your medical concerns on a Request for Medical Attention Form and turn the slip in during one of the four regularly scheduled daily medication passes. The jail medical staff will address your concerns as well as provide any required medication. When you become employed, you will have 14 days in which to make arrangements to supply your

own medication. If you are unemployed and experiencing mental health concerns, submit an Inmate Communication Form and request to speak with the correctional counselor or a mental health worker.

Medication. The Huber Facility staff will control all prescription medication. You are not permitted to have any medication in your street locker or room, including over the counter medication. If you are going to be out of the facility during a scheduled medication pass time, submit a request to have your medication dose ready to take with you when you leave. These requests are also to be turned in to the medical office during one of the regularly scheduled medication passes. Failure to comply with rules regarding medication may result in disciplinary sanctions including loss of Huber privileges.

Any and all current prescribed medications must be turned over to correctional staff at the time of intake. We do not permit sample packs of medication to be brought into the facility. All medication must be properly packaged and labeled. Medications will be distributed at the following med pass times:

6:00 am 12:00 pm 5:00 pm 9:00 pm

Unauthorized trips to a doctor or pharmacy are in violation of Huber Facility rules and may be subject to disciplinary sanctions.

V. Resolving Complaints

If you believe you have a basis for a complaint, whenever possible, you are encouraged to resolve the complaint informally with the applicable staff member. When informal resolution is not possible, written complaints and decision appeals are to be submitted in accordance with the chain of command which is as follows: Sheriff - Jail Administrator - Corrections Captain - Corrections Lieutenant. The Corrections Lieutenant is responsible for written complaints and decision appeals for counseling staff, accounting staff and the correctional officers. Written complaints not filed by this system will be dismissed. All complaints properly submitted and forwarded will be reviewed by the applicable staff member(s). The legitimacy of each complaint will be determined and a resolution will be provided. Keep in mind the complaint procedure is a vehicle for you to seek resolution for legitimate factual concerns. As stipulated in the rulebook, communicating false information is prohibited.

VI. Facility Release

- 1. Employment verification.** Inmates will complete an Employment Verification Form upon intake or at the time employment is obtained or changed. Using telephone book white or yellow pages and/or the internet, facility staff will verify all inmate employment by contacting employers via telephone at the place of business. Employers not listed in a telephone book will be required to submit written proof of their business (i.e., tax number, proof of income, business checking account, contracts, and/or incorporation papers). Inmates will not be released for work activities until their employment has been verified. Consequently, depending on the day and time of admission to the Huber Facility and the availability of personnel at the business address, inmates may experience delays in being released on their first workday in custody. Inmates are NOT permitted to be employed by, or supervised by, other current inmates or by inmates within six (6) months of their release from custody. Continuing employment with a family-operated business will be reviewed and approved on a case-by-case basis. Commencing employment during incarceration for a family owned/operated business will not be allowed.
- 2. Unemployment Compensation.** Unemployment compensation (and employment training benefits) checks will be mailed directly and/or turned over to the Huber Facility accounting staff. Inmates receiving unemployment compensation benefits who are approved to pay weekly Huber board fees in cash will be required to submit a weekly check stub with their fees. The check stub will be cross-reference by the Huber Facility account clerks to confirm unemployment compensation benefits have been received. The check stub will be returned to the inmate upon verification by Huber account clerks.
- 3. Self-employment.** Self-employment will be verified in the following manner. The inmate must provide the following documents:
 - Proof of an active, current business checking account (i.e., active account statement);
 - A tax number (hardcopy document listing the tax authorization number);
 - Past and current business contracts;
 - Current invoices;
 - Business incorporation papers; and,
 - Insurance forms listing the company name and type of business.

If the documentation listed above cannot be provided or is insufficient, the matter will be forwarded to the attention of the counseling staff and applicable corrections captain for review and final determination regarding the inmate's employment status. Self-employment is reviewed and approved on a case-by-case basis.

Independent Contractor Status Criteria. The inmate must provide the following documentation:

1. Social Security Number (confirmed on Spillman Names Table);
2. Previous year's income taxes, if business was previously established at that time, showing proof the inmate filed taxes as a subcontractor;
3. Bank statements showing on-going transactions during the six (6) months prior to incarceration date with a positive bank balance; and
4. At least five (5) contracts with past "employers" dated no more than six (6) months ago, and not less than one (1) month ago, substantiating [an exception would be one (1) or two (2) long-term employment contracts].
5. If the inmate is paid as a subcontractor through a single business, that business must be viable (reference section (2) above), must provide a work schedule and comply with the wage assignment.

If the documentation listed above cannot be provided or is insufficient, the matter will be forwarded to the attention of the applicable corrections captain for review and final determination regarding the inmate's employment status. Independent contracting is reviewed and approved on a case-by-case basis.

4. **Work Search Plan.** Each unemployed Huber Facility inmate, whether unemployed upon admittance or who becomes unemployed during their incarceration, will be seen by the senior corrections counselor for the purpose of imposing a work search plan. A work search plan will be put into effect if the inmate is able to work and is not engaged in other full-time activities such as school and/or childcare. The inmate will be given two weeks for a proscribed work search plan. Failure to obtain employment will result in the inmate's return to the County Jail for a minimum of 60 days. The senior corrections counselor will explain the work search plan to you in greater detail. If you are unemployed and fail to attend a work search meeting and initiate a work search plan within ten (10) days of your initial incarceration, your Huber privileges will be suspended and you will be returned to the County Jail.
5. **Huber Board.** If you earn wages, salary, unemployment compensation or employment training benefits you are required to pay Huber board, along with any other court ordered payments. All checks are to be mailed to the Huber Facility. Any money left over may be disbursed for support of your family. You may not assume new debts without permission of a corrections captain.

If you are incarcerated for twenty (20) days or more, you will be required to sign a wage assignment. If your employer fails to send your payroll checks to the Huber Facility, the account clerks will contact your employer one (1) time to remind them of that requirement. If your employer fails to comply a second time, you will be held in the facility for further administrative review of your work release privileges. All monies earned will be controlled by the Sheriff or his agents in accordance with ss. 303.08. For sentences less than 20 days, unless alternate arrangements have been made with the facility account clerks, Huber board must be paid in full within 48 hours of admittance.

If you accrue an unacceptable Huber Facility debt (balance due) as determined by the accounting and supervisory staff, you will be held in the facility or returned to the County Jail until your account is up to date. In addition, if your account has a balance due, you will not be permitted to purchase enhanced bag lunches or pizzas, nor will you be given an allowance check for miscellaneous purchases, until your account is up to date.

If self-employed or an independent contractor, you are required to pay one week's board in advance. Self-employed inmates must receive at least minimum wage for hours worked. Inmates who quit or are terminated from their job must notify the correctional staff in writing as soon as possible following the job action. Huber board will continue to be charged until the staff is informed IN WRITING the inmate is no longer employed. This requirement also applies to all temporary employment/job actions including, but not limited to, injury, disciplinary layoff, work shortage layoff and reduction of hours.

6. **Child/Family Care Release.** You may request release for child or family care purposes by submitting the appropriate form and information. Childcare requires the other parent or caregiver's work schedule (from the employer), birth certificates and school schedules for all children included in the request. Childcare is not granted as a means to maintain direct contact with family members and/or conduct off-site visitation. Release for family/elder care must be court-ordered and requires physician proof detailing the type and frequency of care required by the family member. You must remain at the approved location during child/family care release.

The request form must be completed in full, and must include all required paperwork at the time of submission. The

childcare and family/eldercare site must have a working telephone. Inmates are required to provide a copy of the phone bill showing the telephone land line and address of the location where childcare will be provided. Cellular phones are not allowed as the only telephone at the site. You must be reachable by telephone at the approved site at all times during scheduled childcare/family/eldercare hours. Based on the reasonableness of the request and the documentation provided, the request will be granted or denied at the discretion of correctional or counseling staff. Release time will not exceed 12 hours in a single day or more than six days in a row for any reason or combination of reasons (work and childcare).

7. **Release for Education.** You may request release for education (high school, college, or vocational school programs) by completing the appropriate form. Non-credit college or vocational school classes will not be approved. A school schedule (official document from the educational institution) is required and must be submitted with the form. Release time will not exceed 12 hours in a single day or more than six days in a row for any reason or combination of reasons (school and work/childcare).

VII. Facility Release Guidelines

1. **Travel.** Inmates are required to take the most direct route to and from their destination with no unauthorized stops and within the allotted travel time. Inmates must obtain approval from facility staff regarding the method of transportation used to travel to and from any destination (car, walking, bike, bus, etc.). Travel time is based on the destination and method of transportation; **any changes in the approved method of transportation must be reported to Huber staff. Inmates are required to remain in the facility until their ride arrives. Inmates are not to stand at the end of the driveway.** Buses do not run on Sundays. An alternate mode of travel must be identified for Sundays.
2. **Release restrictions.** Inmates must request in writing any change in their work hours and travel times. All changes must be approved by staff. No inmate is permitted out of the facility to work and/or attend child/family care more than 12 hours per day or more than six days in a row. Inmates must be reachable by telephone during scheduled hours at the approved work site, childcare site, or other destination. Approval for facility release on holidays must be granted in advance pursuant to holiday release facility guidelines. These guidelines are posted throughout the facility prior to each designated holiday.
3. **Passes.** When out on pass, inmates must return to the facility by the time indicated on the pass or within the allotted travel time from the pass location; whichever is sooner. No inmate is to alter or forge any document. Inmates must ensure that all passes are filled out correctly and in full. Inmates may not lose or forget to return to the facility with the issued pass.
4. **Overtime.** When overtime is required, the inmate must have their supervisor obtain permission from the Huber staff prior to the inmate's normal quitting time. The inmate must also provide, on company letterhead, written notification signed by a supervisor listing when work was completed. If overtime is scheduled for a future date, a letter from the employer on company letterhead must be submitted in advance for staff approval. Unless the overtime is for the next working day, overtime requests for future dates must be submitted at least 24 hours in advance of need.
5. **Release and return process.** Inmates who are scheduled to leave the facility will report to the floor officer when the applicable work/pass call is announced. Inmates will turn their picture ID over to the floor officer. After receiving permission from the floor officer, inmates will report directly to the ground floor control room officer. After dressing out, inmates must remain in the lobby until their scheduled release time. Prior to leaving the facility, inmates are to report to the control room officer to receive their pass or have their timecard updated.

Upon return to the facility, inmates are to report to the control room officer to turn in their pass and/or have their timecard updated and retrieve their picture ID from the control room officer. After reporting to the control room officer, inmates must remain in the lobby until they are dressed in. Inmates are not permitted to utilize electrical outlets within the lobby area for any reason. Inmates are not permitted to use cell phones in the locker rooms. After the dress in is completed, inmates will proceed directly to their assigned floor and zone.
6. **Personal vehicles.** If inmates will be driving personal vehicles, the vehicle must be parked in the Huber Facility main parking lot located north of the building. All vehicles must be registered with the Huber Facility on the appropriate form. All vehicles must have an approved facility parking permit located within the vehicle and the permit must be visible from outside the vehicle. Bicycles are to be stored in bicycle rack in the parking lot.

7. **Restricted areas.** The neighborhood within the bordering streets of Delafield, Moreland, Northview, Summit and Grandview is a restricted area. Any inmate observed within the boundary will be subject to formal discipline, up to and including loss of Huber privileges. The only exceptions are for those traveling through the area on a scheduled

City of Waukesha Bus route. The wooded area to the northwest of the Huber Facility is also a restricted area. Inmates must use the west drive to enter and exit the Huber Facility premises.

VIII. Movement within the Facility and Inmate Identification Card

- 1. Identification cards.** Inmates must carry their zone/personal identification card with them while in the facility. The zone/personal identification card is to be affixed to the uniform shirt where it can be readily observed. Inmates must present their zone/personal identification card to any jail staff member, professional visitor, or program presenter as instructed.
- 2. Remain in zone.** Inmates are to remain in their assigned housing zone unless they have an "authorized purpose" to be outside of the zone. "Authorized purpose" is defined as.
 - a) Moving to and from the dress in/out locker rooms;
 - b) During the serving of meals;
 - c) As scheduled, moving to and from program rooms;
 - d) As instructed or scheduled, moving to and from the facility administrative offices; and/or,
 - e) Following an evacuation order issued by correctional staff.

Inmates will move directly to and from their authorized destination. Inmates will not loiter in the lobbies, access corridors, and/or stairwells. Inmates may not enter a housing zone or sleeping room they are not assigned to or any "Staff Only" offices, areas or sections of the facility without permission from correctional or counseling staff (i.e., control rooms/officer stations, administrative offices, classroom, multi-purpose room).

IX. Disciplinary Information

In the event you are suspected to be in violation of a rule(s), the staff member having the suspicion will determine whether to address the matter formally or informally.

Formal Discipline. A formal disciplinary report will result in disciplinary hearing proceedings no sooner than 24 hours from the time you were served with the disciplinary report. The exact date and time of the hearing is determined by the availability of a disciplinary hearing staff member. Based upon the legitimacy of the request you may be allowed to call witnesses, confront your accuser and/or be represented by a staff advocate during disciplinary proceedings.

A sanction or penalty may be imposed by the hearing officer based on the findings of the disciplinary proceedings. Disciplinary findings and imposed sanctions may be appealed to the Jail Administrator or designee. You must indicate your desire to appeal immediately following the findings decision. The appeal is to be made in writing and turned over to a staff member within 24 hours of the findings decision. Based on the legitimacy of the appeal the original penalty may be eliminated, withheld, increased or decreased. The appeal decision is final. For formal disciplinary actions, sanctions will not be imposed until after the appeal process is completed.

Informal Discipline. An informal disciplinary action includes a notification of infraction(s) and the issuing of a sanction(s). There is no due process hearing, but the informal action may be appealed to the Jail Administrator or designee as outlined above. The appeal will not delay imposing the sanction. The goal of a successful informal disciplinary appeal would be to have the disciplinary action removed from your record.

Types of disciplinary sanctions may vary based upon the severity of the offense(s) and the frequency which an inmate violates jail rules. Sanctions which may be imposed as informal discipline include:

- a) Verbal reprimand;
- b) Written reprimand;
- c) Loss of one privilege for a 24 hour period; or,
- d) Confinement to assigned room for up to 23 hours without dayroom privileges (no television, telephone or dayroom access).

Formal discipline has more flexibility with regard to possible sanctions. Sanctions which may be imposed as formal discipline include:

- a) Room or housing zone restriction up to 30 days;
- b) Loss of one or a number of privileges for up to 60 days;
- c) Loss of up to 2 days "good time" for any one offense involving one or a number of rule violations; and/or,

- d) Restriction of work release privileges up to 5 consecutive days per violation.

X. Huber Facility Inmate Workers

All inmates assist in and are responsible for the cleanliness of the housing zones and may be used in the upkeep and maintenance of the facility at the direction of the staff. Inmate workers can be issued specific housekeeping assignments to include: cleaning and waxing floors in the hallways and corridors; serving meals; washing dishes; washing the facility transport vehicle; cleaning offices and program rooms; and/or, washing walls. Inmate workers assigned to the kitchen are required to shower prior to the start of their assigned work shift, and will wear hairnets and gloves while working in the facility kitchen. Inmate workers must be in good health. Inmate workers assigned to the food service area will be assessed prior to their daily work assignment.

XI. Meals

Meal trays / bag meals are issued when you are present in the dining area and wearing your complete jail uniform. Inmates will not accept trays for other inmates. All utensils and serving units (i.e., trays, cups, bowls) will be turned in immediately after use. Food items or condiments not consumed may not be given to another inmate and will remain in the serving area. Approximate mealtimes are as follows:

Breakfast	5:00 a.m.
Lunch	11:30 a.m.
Dinner	6:00 p.m.

If absent from the facility during a meal, you may request in advance a bag meal be issued to you. The bag lunch can be issued when you report to the facility control room after being dressed out for work or pass activities.

XII. Visitation

Professional Visitation. Visits with an attorney, minister, counselor, and/or other recognized professional person, are permitted daily between the hours of 9:00 a.m. and 9:00 p.m. Professional visitation will be administratively restricted during meal times.

Public Visitation. Visitation days and hours are posted throughout the facility. Visitation sessions are allowed on a first-come, first-served basis. All inmates will be limited to two visitors at one time during visiting sessions.

All visitors must provide proper identification (picture identification card with name and date of birth) during visitation registration. Individuals 16 and 17 years of age must be accompanied by a parent or legal guardian (written proof of guardianship must be provided). No one under the age of 16 is allowed to visit unless a court order is issued by the sentencing court.

Inmate property and money may only be dropped off for Huber Facility inmates by the general public during Huber Facility visitation times. The inmate must be in the facility to acknowledge receipt of the items; the party dropping off the items is not required to register for a visit, and dropping of property/money is not limited to a specific visitation period.

XIII. Mail

Correspondence which has the proper postage and complete forwarding address is to be turned over to the housing zone officer. Incoming mail is distributed at the earliest opportunity. All mail items are opened, searched and inspected in the presence of the inmate. Any contraband will be considered a violation of facility rules as outlined in section "Items Allowed in the Facility".

XIV. Program Activities

There are a number of inmate program activities provided at the Huber Facility. The purpose of programming is to address special needs and to allow for constructive use of your time during confinement. Program topics consist of, but are not limited to, substance abuse awareness and counseling, Bible study and religious services. To obtain further information regarding program availability and participation eligibility, make your request in writing to the Huber Facility counseling staff.

XV. Religious Services

You may attend nondenominational religious services conducted within the confines of the Huber Facility or request to attend services outside of the facility. Prior to the start of in house religious services, an announcement will be made over the facility paging system. The announcement will notify inmates services are about to begin and provide instructions on

where the services will be held.

To be eligible to participate in off site religious services the following guidelines apply:

1. You must be in custody at the Huber Facility for 20 consecutive days. If you are returned to the County Jail for any reason, 20 consecutive days must again be served at the Huber Facility.
2. During the 20 days, you must demonstrate consistent attendance at the Bible studies and church service held in the facility.
3. You must display consistent appropriate behavior and demonstrate an ability to comply with the rules of the facility.
4. You must be productively involved in outside activities such as work, school, childcare, community service, etc.

Prior to being released with a sponsor, you will be asked to sign a set of rules regarding your conduct while outside of the facility. The services site must be a church or place of worship located within Waukesha County. The church or place of worship must be a solid structure and listed as a church or place of worship in the local telephone directory or directory assistance. Each inmate requesting to attend off-site religious services must identify and provide a religious services sponsor (1 sponsor per inmate). The sponsor will be responsible for driving the inmate to and from religious services and will be the contact person regarding any questions about inmate attendance. A sponsor must be a member of the church or religious organization conducting the service and cannot be related to the inmate he/she is sponsoring. For the purpose of this rule booklet, related will include boy/girl-friend, fiancée and/or relatives of the boy/girl-friend or fiancée. Inmates will be allowed to attend outside religious services one time each week. The weekly service must be conducted on Saturday or Sunday and inmates will only be allowed to attend the religious service. Attendance at post or pre-service gatherings, socials, and/or study groups is not allowed. The sponsor will also be asked to sign a set of rules regarding the inmate's release from the facility.

If you are interested in this program, and meet these criteria, submit your request on an Inmate Communication Form to one of the correctional counselors. Any questions about the program, please ask your floor officer or one of the corrections counselors.

XVI. Prohibited Conduct

The Waukesha County Sheriff's Department is committed to ensuring a safe and humane environment for offenders. The Department emphasizes zero tolerance for inmate sexual abuse and sexual assault.

Definition: One or more offenders engaging in, or attempting to engage in a sexual act with another offender; or the use of threats, intimidation, inappropriate touching or other actions and/or communications by one or more offenders aimed at coercing and/or pressuring another offender to engage in a sexual act.

While incarcerated, no one has the right to pressure an offender to engage in sexual acts. Offenders do not have to tolerate sexual assault or pressure to engage in unwanted sexual behavior. To avoid sexual assault:

- Choose associates carefully. Look for people who are involved in positive activities.
- Avoid being alone.
- Do not accept gifts or favors from others. Most gifts come with strings attached.
- Do not accept an offer from another inmate to be a protector.
- Avoid borrowing and becoming indebted to anyone. Be confident and do not permit emotions to be obvious to others.

If you have been the victim of sexual abuse or sexual assault or if you believe you are at risk of becoming a victim of sexual abuse or sexual assault, contact a staff person immediately.

XVII. Electronic Monitoring

The Waukesha County Huber Facility operates an electronic monitoring program (EM) for qualified inmates. All Huber Facility inmates are assessed for electronic monitoring and will be notified if all eligibility criteria are met. Eligibility is based on several factors, including but not limited to, criminal history, current charges, disciplinary record, length of sentence, ability to pay, and appropriate interview. Costs for electronic monitoring are deducted from the established Huber board fees. The Huber Facility has the right to deny placement or revoke individuals from the EM program.

1. EM inmates are required to obtain permission from Huber Facility staff to leave the approved residence for any previously unauthorized reason. Written substantiation will be required to verify any deviations from the authorized schedule. EM inmates must remain at the approved residence at all times unless specific authorization to leave has been granted.
2. Routine requests for schedule modifications will be submitted by the inmate during the weekly EM check-in at the Huber Facility. Non-urgent phone or fax requests for schedule modifications are not allowed.
3. Jail staff must be notified of any changes to the authorized schedule. This includes job lay-off, sick days, termination, vacation, new employment, etc.
4. Telephone and EM equipment must be maintained in good working condition. All phone equipment must be compatible with the EM equipment.
5. Jail staff and law enforcement personnel are allowed to enter the EM inmate's residence at any time to ensure compliance with the rules of the program.
6. EM inmates will submit their person, property, place of residence, vehicle, and/or other belongings, to search or seizure at any time, with or without a search warrant, to any law enforcement officer or Waukesha County Jail personnel.
7. Inmates may not possess or use (consume, ingest, and/or take into their bodies) alcohol or drugs (legal or illegal) that has not been prescribed by a physician. This prohibition includes over-the-counter medications (cold remedies, etc.) and mouthwash which contain alcohol. A list of all medications being taken must be reported to Huber Facility staff prior to placement on EM. Any changes in medications while on the EM program must be reported to Huber Facility staff.
8. EM inmates must submit to random and scheduled alcohol and drug tests. Failure to answer a call from the monitoring center may result in a charge for an alcohol retest.
9. All EM fees are due one week in advance.
10. Lost or damaged EM equipment is the financial responsibility of the inmate. Loss or damage may also result in criminal charges.
11. EM inmates will report to the Huber facility for random and scheduled check-ins as directed by Huber Facility staff.
12. EM inmates must comply with all written and verbal instructions from Huber Facility staff.
13. EM inmates must comply with all federal, state, and local criminal and traffic laws.
